The Beginning of a Tradition

From the beginning, Woodlawn has had the makings of a winner. Dr. J. Earl Turner, principal when the doors of the Castle were opened in 1960, helped shape a young school into a shining example. Dr. Turner who was later to be succeeded by Mr. J. W. Cook, Jr., worked diligently to assure the success of WHS. The students and faculty followed his leadership and a tradition of excellence was born.

At the Castle, people have learned to honor their heritage. Many reminders of the school's past glories are found. Knights have always been proud of their past and keenly aware that only they can make their future better. This awareness of the future has kept Woodlawn on top. Although the past is honored, the importance of change is understood.

In two decades Woodlawn has become a living legend. It has come a long way from the small group of students who met back in 1960 and chose a mascot, colors, class ring, and walked away with dreams and perhaps fears of the "newness" of it all. Students now know and people will always know, because the Knights have left behind memorials to their achievements.

Woodlawn Remembers

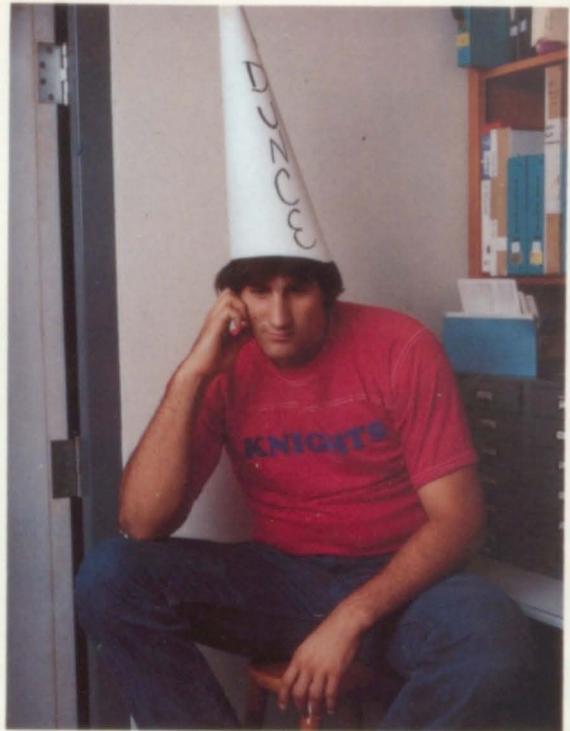

School Spirit Takes Shape

As the spirit of friendly competition grew between Woodlawn and other schools, the people at WHS quickly molded a sense of school unity and pride. Without this no school could truly grow and prosper. Supported by this new found school spirit, people in all areas of Castle life were encouraged to strive for even greater heights. Through the years this spirit continued to grow and this twelfth man has played a major role in Woodlawn's success.

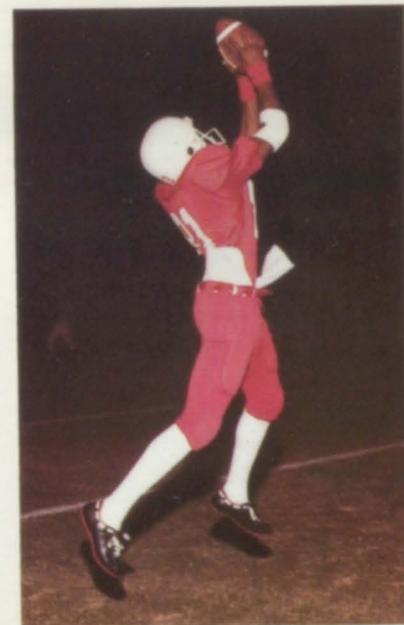

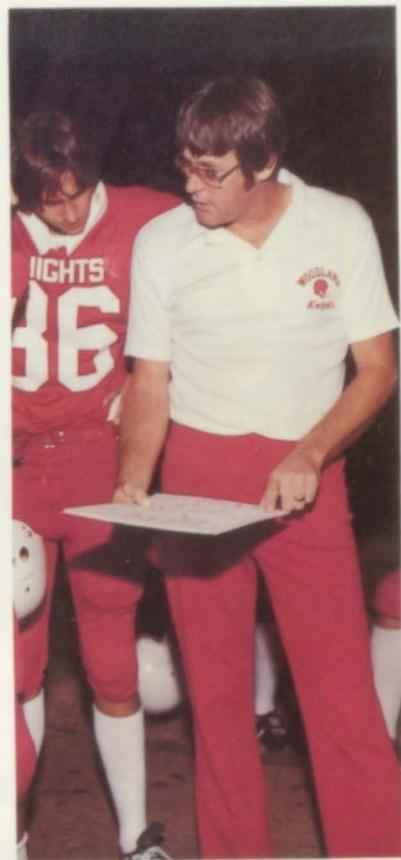

Knights Continue Castle's

Through hard work and dedication, the tradition of excellence at Woodlawn has been continued. Proving the value of a well-rounded individual, students have excelled in both academics and athletics. While administrators and faculty have provided the guidance necessary for such endeavors, Knights have applied their talents and energies by participating in activities that made Woodlawn a school of which to be proud.

Excellence

The slow and often painful process of growing can bring with it an increased understanding of the things that are truly important. Over the past twenty years Woodlawn has grown to an enrollment of over 1,750. Growth often brings with it a change of perspective. In their climb to the top, the people of WHS came to realize that they could shape their future. This paved the way for even greater growth, not merely in numbers, but in character as well. Knights have learned that what really matters are the things that last.

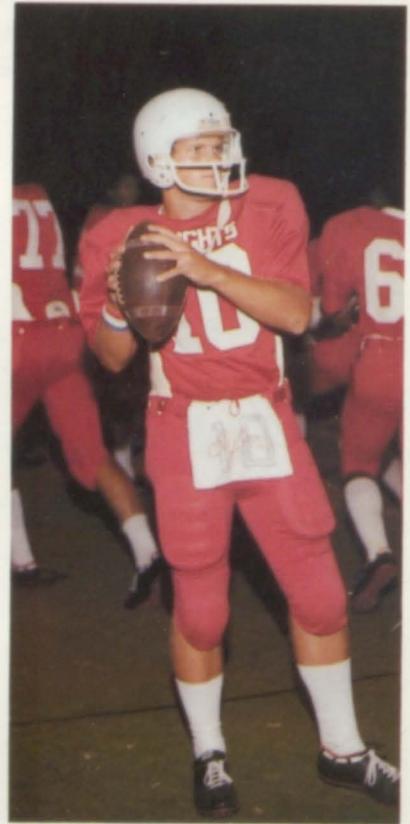

A Time of Growing

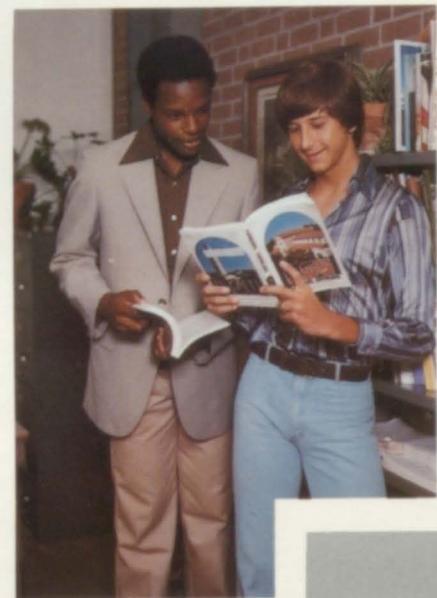

Knights Look

In remembering their past, the people at WHS also realized that without the future, the past means nothing. If it were not for constant efforts for improvement, the Knight tradition would already be a thing of the past. Knights involved themselves in the many aspects of Castle life which prepared them for the future. This interest in community and self-improvement kept the future bright for the people of Woodlawn.

Forward

People Add a Touch of Class

In 1960, the administrators, Dr. Turner and Asst. Principals Mrs. Helen Dear and J. W. Cook, Jr., set a standard of excellence that has never been lowered.

The people at any school are what set it apart from the others, and WHS is no exception. Each person at Woodlawn added his own special flair, keeping the Castle lively. Because of the varied people that made up the student body and faculty, the Knight life was never dull.

The Woodlawn tradition, begun in 1960, has been faithfully upheld for twenty years. Students and faculty alike sensed the excitement of this anniversary year, and the school's spirit and enthusiasm reached even higher levels.

With Mr. J. W. Cook, Jr. continuing the fine job started by Dr. Turner, the Castle has risen to the top and made a practice of staying there.

Knight Spirit Never Dies

The task of promoting the spirit of an entire school can only be accomplished with an inner spirit and enthusiasm. These characteristics were exemplified by Sir Knight and the eight senior girls who served as cheerleaders for the Knights.

Responsibilities of the cheerleaders included painting posters, practicing cheers and making tags for all varsity players before each game as well as cheering for all varsity sports events.

During the summer the cheerleaders attended two camps, a Universal Cheerleading Association camp at Louisiana Tech and a National Cheerleaders Association camp at SMU in Dallas. The girls carried home The Master Key Award to Spirit, two spirit sticks and six blue ribbons.

The winning spirit tradition of the Knight is represented by a red uniform with a white "V" for victory. The red symbolizes the "Big Red" spirit machine. The royal blue capes, traditionally worn by the Red Line as they enter the field, reflects the respect for the past.

Dedication, discipline, and respect are characteristic of a Red Liner. Unique to all other dance teams, the Red Line is a tradition.

The Red Line, which was originated by Mrs. Denise VanBibber, is now under the direction of Mrs. Dot Willis. Since 1973 Mrs. Willis has had the responsibility of leading the award-winning dance team and has contributed tremendously to the success of the Red Line.

Leading this year's Red Line are seniors Dee Eberhardt, Leading Lady; Michelle Moore and Lisa Ursery, Co-Leading Ladies; and Beverly Doris, a three-year member.

The Red Liners were privileged to be a part of the Red Line tradition. They strived for discipline and perfection and to exhibit high moral standards of young ladies in a modern society.

With traditional pride the Knight band performed at "Big Red" football games, inspired Castle pep rallies and played for the annual Woodlawn Memorial service.

Under the leadership of new director Tom Moore, Head Drum Major Claire Vinson and Assistant Drum Major Melodie Moore, the band presented halftime shows that displayed varied techniques.

Emphasizing quality, the spirited Knight band practiced hard from August through the end of the year. Flag Line routines added style and color to the Knight band by performing precision drills.

Lancerettes —

20 Years of Pride and Spirit

The Lancerettes, a part of Woodlawn's tradition since 1960, has been sponsored by Mrs. Carolyn Smith since 1972. Mrs. Smith is greatly appreciated for the many hours of hard work she has contributed to the Lancerettes.

Tonya Eason, Colonel; Debby Smith, Lt. Colonel; Peggy Smith, Major; and Lee Ann Posey, Major were the 1979-80 top four of the pep squad. They led the Lancerettes not only in cheers and marching, but also in car-

rying out the Woodlawn tradition of pride and excellence.

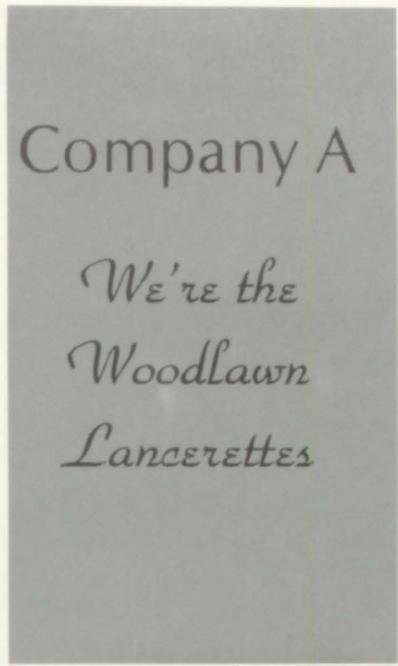

Lancerettes have kept up many traditions in the past twenty years of their existence. Most important they continued to show dedication, pride, and loyalty to the Castle. Important factors of the Lancerette tradition are their Lancerette song which exemplifies the true meaning of the organization and the "double W" field formation performed as a yearly pregame show.

Walker, Robinson Find Knight Spirit

The 1979 edition of the Woodlawn Knights was an unexpected pleasure to those involved. Predicted to finish the season out of the playoffs, the Knights battered and bruised their way to become one of the top four teams in the state. Although injuries were the main concern to the Knights, sub-

stitutes, dedication, and pride propelled the Knights over such obstacles as Green Oaks and Sulphur in the playoffs. Coaches Doug Robinson and Charles Walker, new to the Knight staff, acquired a great new sensation, the feeling of becoming a true Woodlawn Knight.

GREEN OAKS 7

Woodlawn advanced in the playoffs with a thrilling victory over the Giants of Green Oaks. The game was a struggle dominated by defense throughout most of the night. Tony Green led the Knight offense with a total of 117 yards on 21 carries and Joe Ansley contributed 56 yards on 13 carries. Quarterback Herbert Jackson hit 3 of 8 passes including a 29-yard touchdown connection to Brian Blackwell. Linebacker Dennis Dunn was seriously injured on the attempted extra point. The Knights' game-clinching score came when Wayne Tillman raced 34 yards untouched into the end zone with a Giant fumble.

WOODLAWN 13

SULPHUR 8

The injury-riddled Knights pulled together and played their best game of the season to defeat the previously undefeated Sulphur Tornadoes. Tony Green scored late in the first quarter on a 48-yard dash around the left end to get the Knights on the scoreboard first. Cornerback Doug Woodward intercepted a Sulphur pass to set up the next Woodlawn score, a 5-yard run by Joe Ansley. Early in the fourth quarter, the Tors threatened a comeback. They scored with 10:28 remaining on the clock, but their comeback intentions were ruined when defensive man Victor Barnette picked off a pass on the Knight 30-yard line with only 28 seconds remaining in the game.

WOODLAWN 0

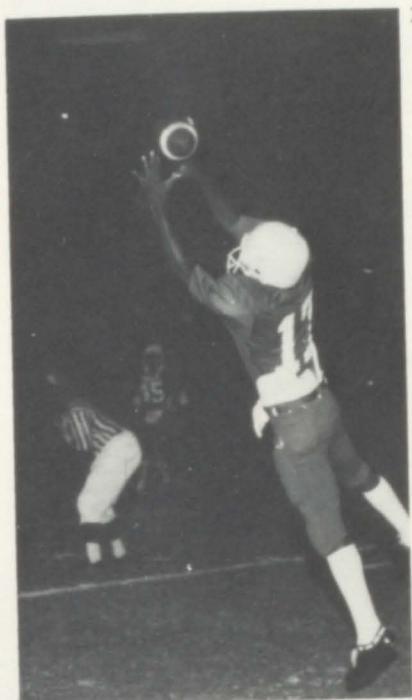

ST. AUGUSTINE 16

The Woodlawn Knights played down to the wire but couldn't pull it out in a spirited struggle against the Purple Knights of St. Augustine. Neither team's offense could move during the first half and the St. Augustine team was held without a first down for the entire first quarter. The only score of the half came on a St. Augustine safety. The Purple Knights scored twice in the fourth quarter despite excellent defensive play. St. Augustine was denied scores on two other occasions by hard-hitting linebacker Wayne Tillman and an interception by junior Doug Woodward. Quarterback Herbert Jackson, although pressured much of the night, completed 8 of 14 passes for 71 yards including 4 completions to receiver Herbert Cheeks.

Experience proved to be the key for the Knights as they cruised undefeated through the district season and leaped into the center of attention at the State Top Twenty Tournament. A mixture of deadly outside shooting and rebounding combined with defensive brilliance were mixed to perfection and brought the Knights a well-deserved state championship.

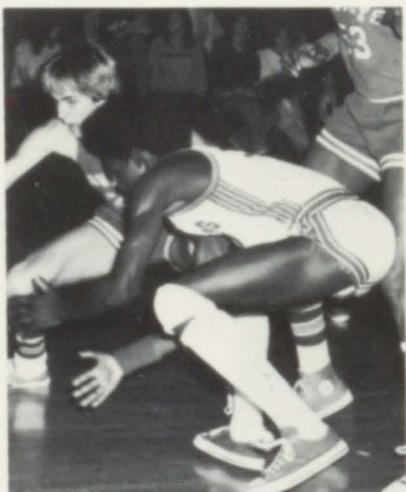

The achievement symbolized by the glittering four-foot trophy represented a rich reward for the many hours of practice and patience endured by the Knight coaches and basketeers. The pinnacle surmounted by the basketball Knights brought honors and recognition to not only themselves, but also to their school and community.

Individual honors were also plentiful for the team. Post-season recognition was bestowed upon seniors Melvin Youngblood, James Scott, Rod Lott, Willie Shaw, Donald Johnson, and Jerry Paul.

Practice makes perfect, or at least very close to it. After three grueling months of pre-season practice and in only their third year at the Castle, the Lady Knights proved that they too are winners. Using to an advantage nine returning players, the ladies finished runners-up in the district race with a 7-3 record and for their first time entered

the post-season playoffs. Defense proved to be the key for the ladies, holding opponents spellbound while the Knights scored repeatedly. Although involved in many thrilling, close games, the baskeeters finished their winter campaign with an impressive record of 13-8.

Cindermen Gain State Ranking

Woodlawn's cindermen, encouraged by Coach John Dilworth and Coach Thomas Ludley, were ranked seventh in Louisiana this year. In the team's strongest events, the 880 and 440 relays, they were ranked fifth. Five members of the team competed in State competition. They were Calvin Thomas, Michael Waller, Eugene Wilson, Doug Woodward, and Melvin Youngblood. Thomas, Waller, and Youngblood ran in both the 440 and 880 relays, with Woodward completing the 440 team and Wilson rounding out the 880 foursome.

Promoting school pride and spirit was Student Council's chief function. During the year they contributed many hours to Woodlawn. For this year's Southwood game, they collected money for the spirit chain. They also raised money selling parking stickers.

The Council contributed to service projects — working with the spring blood drive, the March of Dimes Haunted House, Teacher Appreciation Week, and Christmas collections for needy families. School elections were another responsibility of the Council under the supervision of Mrs. Ellis.

A program designed to prevent future drug abuse, CODAC served area elementary schools. Woodlawn counselors were chosen through screening after teacher recommendations. To serve as a CODAC counselor they were required to learn more about the Drug Sense/Dope Stop motto to express it to youth. Through CODAC, much awareness of drugs has been given to elementary students.

Under the direction of Mrs. Elaine White and Miss Linda Loper, the members of the yearbook staff worked together as one in planning and assembling this year's edition of the WHS ACCOLADE. Editors Cheryl Dring, Claire Vinson and Ruth Ann Welch supervised the production of the yearbook by providing help to all members.

Various duties and activities kept ACCOLADE staff members busy during the summer as well as throughout the school year. There were ads to be sold, layouts to be made, pictures to be taken, and deadlines to be met. Also, a yearbook camp was held during the summer in Lafayette. From the first rough draft to the completed yearbook, ACCOLADE staff members gained a valuable experience that will never be forgotten.

During this 1980 census year, the importance of agriculture in the future was further emphasized due to the growth of world population.

While learning about agriculture, the club also developed a parliamentary law team which placed third in Caddo Parish Parliamentary competition and a public speaker competitor who placed second in the same competition.

DECA Travels to Dallas

During the past school year, Woodlawn's chapter of Distributive Education Clubs of America has worked with its seventy members to withhold their club's motto, "Developing Leaders for Marketing and Distribution." D.E. students of this organization worked in sales jobs at various local businesses as well as maintaining their school work.

DECA was actively involved in money-making projects along with service projects. Always a big success, the annual Bike-A-Thon netted big profits for DECA. Assisting the community, they also worked with the Muscular Dystrophy Drive. During the Christmas season members collected Christmas Toys for Tots and gave a party for the children at Confederate Memorial Hospital.

Students learned the spirit of competition through participation in 18 state contests held during the state conference in April. Community involvement projects included a shoplifting campaign during Free Enterprise month.

Twenty years have passed since 1960 when Lt. Colonel Hugh W. McClary led the NDCC (National Defense Cadet Corp) at Woodlawn. In those twenty years the faces and names of the participants have changed. Even the name of the program has changed from NDCC to ROTC, but the one thing that has stood the test of time is the idea of teaching young men and women the basics of military training in preparation for the future.

In 1967 Sgt. Floyd Courtade joined the staff at the Castle when the program changed from NDCC to ROTC. Year 1979 marked the return of the ROTC's lady drill team, the Chevaliers. Students found that counselors and librarians played a vital role in student life at WHS.

Among the many services the counselors provided were helping with schedule changes, career choices, and college applications. Without the assistance of the Castle counselors, plans and decisions for the future would be more difficult for students.

Librarians aided students in the learning process by assisting them in finding helpful references and reading material necessary for research and entertainment. The library was proven to be one of the most useful facilities.

English Broadens

Basic courses in English gave each student a foundation in fundamentals of grammar, writing composition alternated with literature in its various forms. Journalism, speech and foreign languages encouraged self-expression in the areas of speaking and writing.

New courses offered this year at WHS were creative writing and conversational French which introduced students to new aspects of literary learning.

With the broad selection of English and English related classes available, students had the opportunity to enroll in courses which best suited their interests and abilities.

Creative writing enabled students to express their thoughts with originality and imagination, and conversational French introduced an informal approach to the learning of the French language rather than a grammatical approach.

Mrs. Coleman carefully explains methods of adverb identification to Charles Roberson while Ronald Sublet continues with his assignment. 3. Business Department Strengthens Skills

Woodlawn students enrolled in business courses to attain mastery of machines and competence in office skills required to become successful in business. Typing, shorthand, and data processing were a few of the courses offered. These subjects were very useful in guiding students to careers which they felt best suited them. Business students received a good foundation in learning the basic theories of clerical and economical understanding. In addition to preparing for initial employment in skill areas, business students explored opportunities and received introductory information relating to the world of business.

Music and Art Develop

Art and music classes at the Castle gave students the opportunity to inspire their creative abilities. Some students approached these courses as career development while others found them exciting diversions from their regular academic classes. The students showed their natural means of expression in these courses.

Among the musical groups found at WHS were the Marching and Concert Band, Stage Band, Choir and Orchestra. These groups brought pride to the Castle with recognition gained in competition.

Associate/Youth Pastor

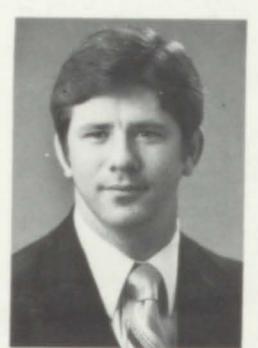

Dear Teenager,

Why walk alone? I want to introduce you to two friends who love you and want you. The first is Jesus! He died a sinner's death on Calvary's cross for you. He wants you to accept Him as your personal Saviour and spend eternity with Him in Heaven. If you do, He promises never to leave you or forsake you! What a Friend!

I also want you to meet Calvary Baptist Church. It truly is a friend to teen-agers. Shreveport's most aggressive youth program is here and you can find many opportunities to grow and serve. Jesus Christ and Calvary Baptist Church love you and want you.

This year we are completing 15 years of operation in Shreveport. During that time we've become the "Telephone Capital of the World," manufactured almost 60 million telephones and experienced a growth in employment to nearly 7,500.

These accomplishments are the results of dedicated efforts by the outstanding group of people who make up our work force. Quite a few attended Woodlawn High School. We are proud of them and the important role they have in helping us meet the communications needs of the Bell System.

The Lord Himself shall descend from Heaven with a shout, with the voice of the Archangel, and with the trump of God: And the dead in Christ shall rise first:

Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: And so shall we ever be with the Lord.

As this year draws to a close, I would like to thank those whose help has proved invaluable throughout the past year.

Special thanks goes to my Assistant Editors, Ruth Ann Welch and Claire Vinson, for their hard work. I would also like to express my appreciation for our sponsors, Miss Linda Loper and Mrs. Elaine White, who put in many extra hours of work.

Thanks must also be extended to Mrs. Jeanette Collins and the ad staff for their support and to David Mauldin Photography for their fine professional work. The true credit for this yearbook must be given to the entire ACCOLADE Staff, for without their contributions this book would never have been possible. I hope that you, in looking back through your 1980 ACCOLADE, will find that we have accurately captured and recorded your year at the Castle. I sincerely hope this was one of your best.

THIS YEAR FADES . . .

As the 1980 school year records itself in our memories, we begin to realize that the most important thing was not what we did, but what we became. In facing the future, the sense of responsibility for our own success which we gained at the Castle leads us — lighting the way to the achievements of our goals and the realization of our dreams.
